

## WEEK 10 TERM 3 NEWSLETTER Wednesday 15<sup>th</sup> September 2021

Dear Families,

Welcome to Week 10 everyone, as we come to the end of another very challenging, yet productive term. Thank you to everyone in the St Mark's community for once again meeting all challenges head on. Although we were physically apart for most of the term, the journey and experience we have shared will continue to strengthen us as we work in partnership to provide spiritual, academic, social and emotional education and support for our children. Our Mercy Values and Dispositions for Learning have been prominent throughout the term and the Holy Spirit has supported us, worked through us and continued to guide us. We are blessed to be part of such a vibrant and dynamic community. Our students, families and staff are definitely ready for a well-earned rest and I look forward to Term 4 which commences on Monday October 4<sup>th</sup>.

Unfortunately, at this stage we don't know what Term 4 will look like. I hope to be informed soon as to whether restrictions will be eased so that students can return to onsite learning. I will continue to keep families informed over coming weeks so that we can continue to work together to ensure the safety of our children and each other. Thank you for your continued patience, understanding and support.

**Staff News** - Sadly this week we farewell our Visual Arts Teacher, Tara Rubenstein as she leaves us to prepare for the birth of her baby later in the year. We thank Tara for all she has done for the children and families of St Mark's during her time with us and send her off with every blessing. A particular thanks to Tara for co-ordinating our 2021 Virtual Arts Show which will be shared with the community later this week.

In Term 4 Alison Dean will teach Prep-2 Visual Arts each week and Daniela Lazzaro will teach 3-6 Digital Technologies each week.

**St Mark's Arts Show** - I am very excited to announce that the link to the 2021 Virtual Arts Show will be shared with all families via SeeSaw and Skoolbag later this week. I encourage all families to sit the family down, grab some popcorn, access the link and enjoy this wonderful showcase of the artwork of our talented and amazing students. Special thanks to our Arts Show Committee, Tara Rubenstein, Lara Beltrame, Alison Dean, Oliver Nunan, Emma Crotty and Maria Rizza for putting this show together in very challenging circumstances. Special mention to Lara Beltrame for sharing her IT expertise in putting the Audio Visual presentation together. Enjoy!

**2021 Curriculum Levies** - I have been in discussion with our school accountants in recent days and am now in a position to announce that the school is offering each St Mark's family a credit to their outstanding Curriculum Levy balance, in light of the cancellation of many excursions, incursions, the P-2 Swimming Program and 5/6 Camp this year. This year we are offering a credit of \$150.00 per P-2 student, \$100.00 per 3/4 student and \$350.00 per 5/6 student **to those families who request it**. These figures are directly proportional to the Curriculum Levies collected for each level, minus money spent in the first half of the year and money required for the remainder of the year. Families are invited to fill in the form below and return it to the office via email **by Friday October 8<sup>th</sup>** – [accounts@smfawkner.catholic.edu.au](mailto:accounts@smfawkner.catholic.edu.au) Statements will then be sent out to all families in early Term 4 **incorporating the credit to those families who have made a request**.

I encourage everyone to remain vigilant and to follow the Government and DHS guidelines we currently have in place. I am aware that there have been a number of exposure sites in the Fawkner area, and surrounding suburbs in recent days. A full list of exposure sites and requirements can be found at - <https://www.coronavirus.vic.gov.au/exposure-sites> It's so important that we all do the right thing to keep each other safe and to enable the return to onsite learning as soon as possible.

**School Closure Day in Term 4 - Monday November 1<sup>st</sup>** will be a school closure day. Staff will use this day for Semester 2 Report writing. If we are back onsite, it is our intention for Youth Leadership Victoria to run Out of School Hours Full Day Care on the day. Bookings at – <https://ylv.com.au/>

**Intentions for 2022** - It's hard to believe that we are currently in the process of preparing our class structures for 2022. To assist, we need to know if any students (other than Gr 6's) will be leaving St Mark's at the end of 2021. If your child will not be returning to St Mark's in 2022 can you please inform me in writing as soon as possible.

**Update on New COVID Restrictions** - All staff and visitors to St Mark's are required to wear a face mask while onsite, unless there is an exemption. If for any reason you need to enter a school building while onsite, **you must sign in using our QR Code**, wear your face mask and continue to socially distance. We ask that parents minimise their time onsite and continue to sign in and out using our Passtab if there is a need to enter school buildings.

Should you have any concerns relating to school operations, or the health and safety of students, please do not hesitate to contact me. Thank you for your patience, understanding and support.

As a community we continue to follow all the procedures and protocols of the Department of Health and Human Services (DHHS) and Melbourne Archdiocese Catholic Schools Ltd (MACS). Advice from the DHHS is that if a student or member of the community is unwell for any reason, **they should get tested and then remain at home until they receive their results.**

**Please do not leave your house for any reason until you receive your results.** Further information on COVID-19 is available on the DHHS Website - [www.dhhs.vic.gov.au/coronavirus](http://www.dhhs.vic.gov.au/coronavirus) and the CECV Website -

<http://www.cecv.catholic.edu.au/Coronavirus-information-for-parents>

Thank you for your support in keeping our school community safe.

## RELIGIOUS EDUCATION

### 25<sup>th</sup> Sunday in Ordinary Time

In this week's Gospel, we read about a time when Jesus sat with his disciples and said to them, "Whoever receives one such little child in my name, receives me..."

The message for us from this reading is for all of us to keep doing God's work each day and especially looking out for those who are in need. At St Mark's we are called to enact our Mercy Values of Service and Compassion, to show kindness and love by reaching out to someone we notice who is sad, sick or in need of friendship.

### Gospel- Mk 9:30-37

#### A reading from the holy Gospel according to Mark

After leaving the mountain Jesus and his disciples made their way through Galilee; and he did not want anyone to know, because he was instructing his disciples; he was telling them, 'The Son of Man will be delivered into the hands of men; they will put him to death; and three days after he has been put to death he will rise again.' But they did not understand what he said and were afraid to ask him.

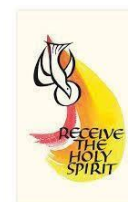

They came to Capernaum, and when he was in the house he asked them, 'What were you arguing about on the road?' They said nothing because they had been arguing which of them was the greatest. So he sat down, called the Twelve to him and said, 'If anyone wants to be first, he must make himself last of all and servant of all.' He then took a little child, set him in front of them, put his arms round him, and said to them, 'Anyone who welcomes one of these little children in my name, welcomes me; and anyone who welcomes me welcomes not me but the one who sent me.'

*The Gospel of the Lord*

### Sacrament of Confirmation

We are pleased to advise that The Sacrament of Confirmation has been scheduled to take place on Thursday 14<sup>th</sup> October at 7.00 p.m in St Mark's Church, and will be celebrated by Bishop Terry Curtin. Our Yr 6s will be participating in a Retreat Day on Wednesday 13<sup>th</sup> October.

*We thank you Lord for this term,  
for our successes and new learnings.  
We give thanks to everyone in our school community,  
who have worked so hard to support each other  
during this term.  
We ask the Holy Spirit to continue to look over us  
as we spend time together during the  
coming holidays with our families.  
May you keep us safe and well and continue  
to look after those suffering from the effects  
of the Covid-19 pandemic.  
Amen*

## Hi Families

I would like to make you aware of a fantastic resource created by the Butterfly Foundation called *Be Kind Families*. The Butterfly Foundation is the national charity for all Australians impacted by eating disorders and body image issues, and for the families, friends and communities who support them. This resource provides parents with strategies to respond to their child's negative self talk and connect with their teens. This is the link to the program and below is some information about it.
